The Riverstop Café is a not for profit café running as a social enterprise of Encircle Limited.

We support local business' by purchasing produce from them – Dayboro Bakery, Fox Coffee, Lawnton Country Markets and Warburton Butchers.

We make all our produce on premises from a small domestic kitchen and we pride ourselves on the flavour and freshness of our food.

All of this would not be possible without the help and support of our wonderful team of volunteers – and to them we are very grateful.

Whilst you are here have a look around the centre. There are lovely views overlooking the man-made lake. The rainforest garden outside the café goes all the way down to our community garden which is lovingly tendered to by our volunteer gardening team. There are plants for sale outside the café which help the garden team to purchase new seeds & items that will further benefit the community in the future.

If you are looking for a location to host an event or party, we can assist you. Our Seasons Room and Bunya Room are air-conditioned and have audio visual equipment. We can also help arrange hall hire for bigger events.

Contact us on (07)3889 0063 and ask for Venues.
