

Pine Rivers Community Legal Service Fact Sheet

-- Servicing Caboolture, Morayfield, and the greater Moreton Bay region--

Pine Rivers Community Legal Service (PRCLS) helps more than 200 people every month access free legal advice, information, referrals, and document services. We also provide free legal education in schools and for community groups.

Our qualified legal team has been supporting residents of Moreton Bay for more than 35 years, and we were pleased to extend our presence into Caboolture and Deception Bay in 2021 thanks to additional funding provided from the State and Federal governments.
