## Harmony Day Celebrations

We celebrated Harmony Day on 24 March with a cultural ceremony attended by more than 40 community members. The event featured a smoking ceremony to cleanse the space and foster connection, followed by a water blessing that invited peace and strength into our community.

It was a special moment to reflect on inclusion, cultural understanding, and unity, and to celebrate the diversity that enriches our community. We ended the gathering by sharing homemade damper, fried scones, and traditional golden syrup.
